

# Run an Audit with Planned Courses

**To run an audit with  
planned courses, you first need to add  
and build a plan. Once you have done that,  
simply click on this button in your plan.**

**Wait a few seconds and your audit will be ready!**

Your **PLANNED** courses will show up in purple, your **COMPLETED** courses in green, your **IN PROGRESS** courses in blue, and any requirements that have not been planned for, completed, or are in progress will show up in red.

**Your planned courses will show up in the semester you plan to take them, with a “PL” for the grade.**

▼	☰	Quantitative Reasoning Requirement(QA,QB)				
	☑					
		SP16	MATH 1050 QA	4.0	A	Coll Alg
	☰	(QB) Quantitative Reasoning - Statistics/Logic Course must be completed with a grade of D- or better				
		FA16	MATH 1070 QB	3.0	IP	Intro Stat Inference
▼		Intellectual Exploration				
▼	📅	Fine Arts (FF)				
		SP17	MUSC 3600	3.0	PL >P	World Music
		FA19	ART 1020	3.0	PL >P	Non major Basic Drawing

**If you think you have planned out all of your courses and you're still seeing red on your audit, schedule an appointment to meet with your academic advisor! They can make sure your plan will successfully get you to graduation.**
