Running a Pre-Professional Audit
Are you interested in attending a professional program after you graduate?

Did you know you can run an audit to check your progress towards completing your prerequisite courses?
On your CIS Page, click on ‘My Degree Dashboard’.
Now you will navigate to the Request an Audit page. There are two ways to get there.
First, if you see this, click on ‘Request Audit’ to get to the request an audit page.
Or you will be on the audits manage page, and you will click on ‘Run Audit’.
